# Identifiable Victim Effect: Worksheet

*Short Answer: Answer the following questions in 3-5 sentences each.*

1. How does the subjective sense of responsibility or blame contribute to the identifiable victim effect?

2. How does the vividness of the victim's image contribute to the identifiable victim effect?

3. How does the certainty of the outcome of helping a victim contribute to the identifiable victim effect?

4. Describe a real-world example of the identifiable victim effect that was not mentioned in the video. Who was the identified victim and what was the larger overarching issue in the situation?

5. How might we overcome the identifiable victim effect?
