

## Senate: Worksheet

### Senior Senator

1. What is the senator's name? Where are they from? For how long have they been serving?
2. What committee(s) is the senator on? What committee(s) have they served on in the past?
3. What issues seem most important to your senator?
4. What are some bills the senator has introduced or co-sponsored?
5. If it is an election year, is your senator running again? Is anyone running against them? If so, who?

### Junior Senator

1. What is the senator's name? Where are they from? For how long have they been serving?

2. What committees is the senator on? What committees have they served on in the past?
3. What issues seem most important to your senator?
4. What are some bills the senator has introduced or co-sponsored?
5. If it is an election year, is your senator running again? Is anyone running against them? If so, who?

### Comparing Your Senators

1. Are your senators from the same political party?
2. Do they seem to have similar political views? Do they ever appear to work together on legislation?
3. Most states have either two Republican or two Democrat senators. Why do you think this is? Do you think this is a good thing or a bad thing, or does it not matter? Why?
