

Twelve Tables: Lesson Plan

Topic	
<p>The Twelve Tables, also known as the Law of the Twelve Tables, contained Rome’s first set of written laws. Composed around 450 B.C., the Twelve Tables dealt primarily with private law and topics relevant to an agricultural society. Although they were destroyed when Rome was sacked by the Gauls in 390 B.C., the Twelve Tables had a lasting impact on the development of Roman law.</p>

Before you watch	
<p>Turn & Talk: Imagine you live in a society where the laws are not written. Discuss any problems that might arise in this system. Would this system lead to inequality</p>	

and injustice? Why or why not?

While you watch

Complete the *While you watch* section of the Worksheet.

After you watch/discussion questions

1. Why is it so important that laws are written and publicly accessible? What are the consequences if this is not the case?
2. What is the benefit of having laws that are specific?
3. Do you think that the legal system of the United States was influenced in any way by the Twelve Tables? Why or why not?

Activity Ideas

- **Op-ed:** In your opinion, what are the most important characteristics for a legal system to have (e.g. written laws) in order to ensure equality and justice for all citizens? Compose your thoughts in at least four paragraphs, and be sure to defend your reasoning.
- **Critical Research Paper:** While the Twelve Tables were meant to provide equal access to the law to all citizens, many people in Rome, including women and slaves, did not count as citizens. What are some ways in which the legal system of the United States falls short of providing full equality? Support your answer with evidence.
